## Ed Gurukul Kinder Enrichment Program (KEP)

Kinder Enrichment Program (KEP) provides a warm and care giving environment which prepares your child for kindergarten.

KEP utilizes age appropriate materials and manipulative to stimulate your child's enthusiasm. Our goal is to prepare your child for kindergarten and make it an easy transition both for you and your child.

The work load is only for 2 hours so that the valuable family time is not taken away from the child at such an young age where lot of the learning comes from the interaction with Parents and siblings. However, in KEP an enriched learning experience is provided to each child due to limited admission.

The curriculum includes but not limited to Math, English, Art, Social Studies, Music,

Computers, and additional language option. This is applicable only to Children from age 3+ through age 5-. A typical day would be (9:00 AM to 12:00 Noon)

### Typical Day

9:00—9:15 AM	Greetings and Songs.
9:15 - 10:00 AM	Math (M,W,F) Eng (T, Th).
10:15 - 11:00 AM	Geography, Science, life skills or hygiene.
11:00 - 11:15 AM	Snack break
11:15 - 12:00 AM	Art, Computers, Music or Social Studies

**\*Fee Structure: All these comes with a small nominal fee of \$ 89.00 per week.**

As a parent your desire is to provide the best possible educational environment for your child to learn and grow.

At Ed Gurukul we challenge your children with slightly advanced curriculum for their age so that they are constantly encouraged to do well in school and beyond.

We have structured curriculum and teaching method that will help your children gain confidence in subjects allowing them to excel.

We constantly update our coursework based on support from various teachers, as well as the latest technology and tools available.

**We offer a curriculum that meets the state requirements.**
